PLEASE PLEASE PLEASE!

DO THE RIGHT THING FOR AMERICAN FREEDOM AND COMPETITION DON'T LET THIS CORPORATE GIANT GET AWAY WITH THE TACTICS IT HAS BEEN USING FOR YEARS TO ATTEMPT DOMINATION OF THE COMPUTER MARKET.

I have been experimenting and it is almost IMPOSSIBLE to do business on the internet now without using microsoft in some way.

Microsoft is the worst sort of corporate monster, they havent payed any corporate income taxes in years! please dont let them get away with stifling our future!
